# THE TIME IS *now*

Chica. I don't know if you know this or not, but YOU have the power to make things happen. You have the power to speak the things you do not see as if they already existed. You have been given the power to make mountains move. Do you believe that? Well, I do... and I have enough belief for all of us! God has placed something AMAZING in you and your time is NOW!

In this life design declaration sheet, you are given 15 powerfully bold declarations that will change your life. Now, you can say them all you want, but the key is that you need to BELIEVE what you are saying. The ball is now in your court!

Say these hourly, daily, or how often you'd like. But the point is, in order to re-design your life, develop enriching relationships, manifest wealth, health, and prosperity, you will need to open your mouth and boldly and confidently declare what you want to see in life. Do it, what do you have to lose?
